Feestje op 6 september 2014 in de binnenstad van Leiden. Klant was 65 geworden en wilde dat vieren met leeftijdgenoten en ouder.

De set-up was de [video only](#) samenstelling.

Opdracht was vanaf 17:30 uur wat achtergrond muziek tijdens de inloop van de gasten en het eten. Mooi en jazzy. Vanaf 20:45 heb ik het volume wat opgedraaid en de gasten de vloer op gekregen, tot 23:00 uur een goed gevulde dansvloer met wisselende gasten. Daarna op verzoek van de opdrachtgeefster weer gas terug genomen en de avond rustig afgesloten.

Het feest was een groot succes.
